

BEDI OVERSEAS

ABOUT-US

FOUNDER
TAJINDER SINGH
BEDI

At **BEDI OVERSEAS**, we are committed to delivering the authentic taste and quality of India's finest agricultural and consumer products to global markets. Our portfolio includes premium Basmati rice, Makhana (Fox nuts), Psyllium Husk, fresh Onion and Dehydrated Onions, Onion Powder, Garlic Powder, Ginger Powder, Chilli Powder, Raisins, Ashwagandha Powder, Turmeric Powder, and Moringa Powder Carefully sourced and processed to meet international standards.

Built on a strong foundation of quality, trust, and customer satisfaction, Bedi Overseas has grown into a reliable export partner for buyers worldwide. What began as a simple vision—to share the rich aroma, extra-long grains, and exceptional flavor of Indian Basmati rice—has evolved into a diversified export operation serving clients across multiple continents.

We adhere to strict quality control measures at every stage, ensuring consistency, purity, and excellence in every shipment. With a customer-centric approach and a focus on long-term relationships, Bedi Overseas continues to deliver products that reflect India's heritage and global expectations.
